

JORGE ZALDIVAR

Houston, TX | 346-561-1354 | Jazhou994@gmail.com

EDUCATION

Houston Christian University (HCU) - Houston, TX

June 2028

Bachelor of Science in Computer Science

Relevant Coursework: Data Structures & Algorithms, Operating Systems, Database Management Systems, Computer Networks, Computer Architecture, Discrete Mathematics

TECHNICAL SKILLS

Languages: Python, Java, C, SQL, HTML, CSS

Tools / Platforms: Git, GitHub, Linux / Ubuntu, VS Code, VirtualBox, PowerShell, Flask, Python Requests, OpenSSH, Ollama, AWS Cloud, REST APIs

Areas / Technical Knowledge: Software Engineering, Backend Development, Object-Oriented Programming, Data Structures & Algorithms, Advanced Data Structures, Database Management, Operating Systems, Computer Architecture, Computer Networks, TCP/IP, HTTP, OSI Model, Client-Server Systems, Artificial Intelligence, Local LLMs, Cloud Computing, Homelab Infrastructure, Networking Infrastructure, Systems Programming, Cyber / Hardware Projects, Automotive Technology, Solutions Engineering

CERTIFICATIONS

AWS Certified Cloud Practitioner: In Progress

Cisco Certified Network Associate (CCNA): In Progress

PROJECTS

Business Operations & Monitoring Platform | Personal Project

Aug 2026 - Present

- Developing a Python-based platform that monitors business websites and services using HTTP availability, status-code, response-time, timeout, and network-error checks.
- Designing monitoring history and uptime/performance analysis with planned REST API, alerting, and dashboard capabilities; using Git/GitHub for version control and documentation.

AI Customer Service & Booking Assistant | Personal Project

- Developed a Python/Flask chatbot prototype for service businesses, integrating an AI API for customer-facing responses and designing booking and lead-capture functionality.

Hospital Patient Queue & Triage System | Academic Project | Java

- Built a menu-driven patient-management application using OOP, HashMap for patient records, PriorityQueue for severity-based triage, and LinkedList for treatment history and case tracking.

EXPERIENCE

Tuxedo Event Services | Event Services Crew Member

Mar 2025 - Present

- Support event setup, breakdown, and guest needs while coordinating with team members in time-sensitive environments and adapting to changing requirements.

RA Sushi | Server

2026

- Managed multiple customer interactions in a fast-paced environment while developing communication, teamwork, sales, and problem-solving skills relevant to client-facing technical roles.

Cinemark | Theatre Team Member

Summer 2024 - Spring
2025

- Provided customer service across concessions, ushering, ticketing, seating, and guest inquiries in a high-volume environment.

LEADERSHIP & ACTIVITIES

Life With Cars | Co-Founder

- Co-founded a community automotive organization focused on connecting local car enthusiasts through organized meets and events; helped coordinate planning, outreach, and participant communication.

HCU Programming Club | Member

Community Service: Houston Food Bank; Jack and Jill of America - supported food packaging and youth team-building activities.
